CCRC Club Race #8 and GASCAR 400

New Racer:

Well in as many weeks of racing CCRC and Lagoon Park have added another new racer. His name is Kenny Morris from down in yonder in Mississippi. You guys introduce your self to Kenny at the track and make him feel welcome. The Limited Sportsman Class is growing at a good pace and let's keep it that way.

Business;

Again, If you don't know it's NCS time again. The CCRC officers have filed the paperwork for another QSAC NCS race next year at Lagoon Park Raceway. We believe that the race is almost a done deal and all we need is the official letter from QSAC. The race will be held in August of next year. With additional QSAC NCS races in Texas and South Carolina, we may see a very large crowd of racers vying for national points coming to Montgomery to race at our facility. We performed a great job this year with our NCS race and no doubt that will be the same outcome in 2010.

Will Landers will be our 2010 Contest director and he'll need all the help he can get, just like this years NCS race. So if you had a job at this years NCS and you would either like to keep it or move to another job well sign up!

For you new racers and old, The Boyd Hughes Memorial All star Shootout is a few months away and we need this race to be our showcase for CCRC 2009 season. There will be racers coming from all over the nation to run at this race. So Remember that the club will need workers for this race as well. But just because your working does not mean you can't race. No quite the contrary. The more club racers that participate in the race duties means the work can be spread around to more folks and the easier it will be for all club members to work on their cars and race. Get Involved!

Down to the racing;

Limited Sportsman:

What can you say about these guys, they are having a blast! Again another great set of Qualifiers and Main. After the single car qualifying it was clear that a shoot out was brewing within the Limited Sportsman group Two of the top three qualifiers' were new racers!

Single car Qualifying:

Limited Sportsman TQ James Warbington, 2nd Kenny Morris, 3rd Bill Meyers

Congratulation to Scott Childress the Limited A Main winner. James Warbington came out as the TQ and from the outset of the race looked to be the man to beat. At the start of the race James ran off almost twenty laps of the lead until Scott Childress wrestled the lead from him and held it to the end of the race. James had some trouble that let two new racers make it to the Podium. New Racers Kenny Morris finished second and David Morrison finished third. As always great racing Guys.

Good Job Limited Racers.

Sportsman:

Single Car Qualifying.

Sportsman TQ Brandon Pickens, 2nd Raymond Johnson, 3rd Jim Dispennette

Brandon Pickens your pole sitter led on two laps at the start of the race until Jim Dispennette got under Brandon Pickens and held the lead right up to the fuel stop. After Brandon got the heat back in his tires on a restart, he was off to the races. Brandon lapped the field while putting down some very fast laps again. In the end it was Brandon followed Allen Johnson and Jim Dispennette.

GASCAR 400 at the Lagoon:

Well the GASCAR guys paid a visit to LPR to race in the GASCAR 400. The Nitro racers have stepped up their racing with the addition of a new engine size to their racing package. They now utilize a .15 engine which doesn't seem like much but is almost a full second faster than the .12 on the track. Man that is fast!

Also a hearty welcome back to Jason Bowden who has been absent from racing for a while. Good to have you back Jason.

Down to racing:

GASCAR TQ was Kevin Andrews, 2nd Roger Douglas, 3rd Tim Smith.

Alright racers, our next Lagoon Park Race is September 12, 2009 and it is the Super Series race #4. There should be another large turn out for our Super Series race so get your car ready to race.

Attention all racers be careful driving this month and remember it's Back to School time again in Alabama. So watch your speed in all areas, especially school zones and look out for our children. Also the Alabama State Troopers have also stepped up their ticket efforts in construction zones on the freeways so please be careful and watch you speeds.

See you all next race in September.

Mike Clark.
